

AGRIPPAS

*Atticus Gallery*

# AGRIPPA & AGRIPPINA

THIS PIECE IS MADE OF PURE SOLID AMERICAN WALNUT

TO GET THIS PARTICULAR SHAPE IN ITS LEGS WE HAVE USED REALLY BIG PIECES OF WOOD.

ITS SILHOUETTE REMINDS US OF AN ANIMAL. HOWEVER, THIS SHAPE HAS BEEN DESIGNED TO BE USED AS A HANDLE TO GRAB AND MOVE THE TABLES EASILY

ITS LEGS ARE SO LIGHT AND THIN THAT THEY APPEAR TO BE WEAK. HOWEVER, THEY WOULD WITHSTAND THE WEIGHT OF A PERSON.
