

BAROCCO

THE FRAME OF THIS MIRROR IS A "SANDWICH" MADE OF TWO PIECES OF LAMINATED GLASS (LIKE TWO HUGE WASHERS). INSIDE THESE TWO PIECES THERE IS A PICTURE WHICH HAS BEEN STUCK TO THE GLASS WITH BUTYRAL OF POLYVINYL BY HEATING IT IN A SPECIAL OVEN FOR GLASS.

THE RESULT IS A PIECE WHICH IS VERY STEADY AND RESISTANT TO BOTH CLEANING AND THE PASS OF TIME.

THE PICTURE IS A COLLAGE OF SIX DIFFERENT BAROQUE PICTURES.
