ESGRIMAS

THIS CONSOLE IS MADE UP OF SEVEN EQUAL PARTS IN WHICH WE HAVE MADE SOME CUTS TO MAKE A PERFECT ASSEMBLY.

THIS PIECE IS MADE OF SOLID WOOD 100 X 100 AMERICAN WALNUT

THE UNION OF ALL ITS PARTS, PROVIDES A HORIZONTAL SURFACE THAT CAN BE USED AS A CONSOLE.

THE DESIGN IS OF GREAT SIMPLICITY BUT IT ALLOWS US TO APPRECIATE, IN ALL ITS FACETS, THE RICH LANGUAGE OF WOOD.
